

Valerie Bonilla

Inclusion Specialist

Episcopal Children's Services

The Inclusion Specialist works with child care providers and family child care homes to insure that children with special needs are able to participate successfully. Trainings are conducted on topics such as the ADA, benefits of inclusion, behavioral and environmental adaptations. The Inclusion Specialist attends collaborative meetings to offer support and share resources with parent and professional groups. Technical assistance is provided as needed. Other assistance needed for children with special needs can be obtained by calling the warm line at 1-800-238-3463.
