Schedule	Monday	Tuesday	Wednesday	Thursday	Friday
Math/ Literacy Activity	<p>Exploring Shapes: Materials: Box and Shapes. Place shapes from around the house or cut out shapes & put them into a box. Help your baby reach in to explore what's inside. Talk about the shapes to your baby. Count the number of items you explore.</p> 	<p>Dropping Shapes: Use the materials from Monday's activity, EXPLORING SHAPES. Invite your baby to practice dropping shapes, especially the shapes that make a noise when they land. Name the shapes for your baby before and after dropping them.</p> 	<p>Build a Tower: Gather a blanket and a few small pillows to take outside. Spread blanket and place pillows and your baby on blanket. You are going to make a tower with your baby. You can use pillows, plastic bowls, or blocks, or boxes or any item that stacks and is safe to stack. You can count the items as you stack each one and make your tower.</p> 	<p>Food Counting: Take your baby's favorite food item that you and your baby can count. Spread the food out then count each piece of food before your baby takes a bite. Recount how many are left before or after each bite.</p> 	<p>Reading: Read a story to your baby. Pick your favorite book or your baby's favorite book. Remember to talk about what you and your baby see on each page.</p> 
	<p>Gross Motor: Let's Get Moving!</p>	<p>Bubble Fun: Place a blanket on the grass/ground. Sit your baby on the blanket or in your lap and blow bubbles! Watch as your baby's eyes follow the bubbles!</p> 	<p>Position Play: Place your baby in a position, on their back. Tickle or play with your baby's feet and arms. Change the position to your baby sitting up. Now gently tickle or play with their belly and nose. Keep changing your baby's position as you play.</p> 	<p>Baby See Baby Do: Do different motions and sounds as you play with your baby and see if you can encourage your baby to copy what you do. Stretch your arms up and say something silly or make a different voice to see if your baby will copy. Now try copying something your baby does. Repeat and take turns.</p> 	<p>Reach for It!: Hold toys in various positions to encourage your baby to stretch and reach for the toys. Your baby will practice using his hands and body to reach objects and will gain better balance for sitting.</p>
