Schedule	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Math/ Literacy Activity</b>	<b>Hide and Seek:</b> Color and cut out some shapes. (circle, square, triangle, rectangle) Show your baby a shape. Talk about which shape it is, then hide the shape near your baby. See if your baby will seek the shape you hid.	<b>Number Reading:</b> Read a number book to your child. Talk to your child about the numbers you see. Count the items on the page.	<b>Sequencing:</b> Explain the steps of getting dressed to your baby. Say first we put your clean diaper on and then we put your shirt on. Use whatever steps you do to get your baby dressed. You can also do this during bath time!	<b>Reading:</b> Read a story to your baby. Notice what your baby is looking at and name it. (Example: That is a grape, yum!)	<b>More, More, and More:</b> While feeding your baby, ask "Would you like more milk?" before feeding your baby more food. Then afterwards say "I am giving you more milk."
<b>Gross Motor: <i>Let's Get Moving!</i></b>	<b>Kick and Move:</b> Lay your baby on his or her back. Tickle their feet and toes and get your baby to kick and move their legs. Sing a song or talk to your baby while you two play together.	<b>The Wheels on the Bus:</b> Sing the wheels on the bus song. Clap and move your baby's hands/arms to the beat of the song. Lyrics- The wheels on the bus go round and round Round and round Round and round/ The wheels on the bus go round and round All through the town/ The wipers on the bus go Swish, swish, swish Swish, swish, swish Swish, swish, swish The wipers on the bus go Swish, swish, swish All through the town.	<b>Hit and Groove:</b> Sit down with your child. Hold a spoon and pan and offer your baby a spoon to hold. Hit the pan with the spoon while saying Bang, bang, bang! Invite your baby to hit the pan, too. He/she may bang the pan right away, or they might spend more time watching you before they try it.	<b>Reach:</b> Have your baby reach for their favorite toys. Hold toys in various positions to encourage your baby to stretch and reach for the toys. Your baby will practice using his hands and body to reach objects and will gain better balance for sitting.	<b>Slippery Splash:</b> During bath time, practice dropping toys in the water. Toys make a fun splash that will encourage your baby to continue practicing the new skill.
