Daily Activity	<p>Science: ROCK Hunt Take a walk with your toddler to collect rocks. Talk about their shape, size, and where you found them as you put them in a basket or bag. Let your toddler wash the rocks after you come home from your walk. Then look closely to see the colors in them when they are wet and dry.</p> 	<p>Health/Nutrition: Sweet, Sour and Salty Tastes: Have a tasting party with your toddler. Choose 2 or 3 of these foods and give your toddler a little taste. See if your toddler can say whether it is sweet, sour or salty. You may need to help them understand what sweet, sour or salty is. Examples of each: Sweet – applesauce, pudding, banana bread. Sour – lemon, grapefruit, dill pickle. Salty – pretzel, ham, saltine cracker.</p> 	<p>Art: Scribbling Art: Have crayons and paper ready for your toddler at a table. Play music for your toddler to listen to as he or they color. Try fast music to color fast and slow music to color slow or stop the music to stop coloring and turn it on to start coloring again.</p> 	<p>Fine Motor: Toys Through a Tube Save your paper towel and toilet paper rolls. Tape them up right on the wall connecting a two of them by the hole end. Allow your toddler to drop small toys down inside and watch them come out the bottom.</p> 	<p>Virtual Fieldtrip: To the Dentist Office https://www.youtube.com/watch?v=eM6NLLTKkI8</p> 

Schedule	Monday	Tuesday	Wednesday	Thursday	Friday
<p>Math/ Literacy Activity</p>	<p>Naming Others: When your toddler is busy playing, name items he or she is playing with. Also, ask them to bring you items that you name.</p>  <p>“you are playing with a busy box”</p>	<p>Learn Opposites Big and Small: https://www.youtube.com/watch?v=OtigY6XCE7U</p> 	<p>More Words: Whenever your toddler uses one word to mean many words, fill in the rest of the words for them. For example, at snack time if your child says “More,” you might say something like, “More? Do you want more applesauce, Tiffany?”</p> 	<p>Count the buttons or snaps: Find a piece of clothing that has multiple buttons or snaps on it. Lay it on the floor or put it on (whomever it belongs to) and count the buttons or snaps on it.</p> 	<p>Simon Says Song: https://www.youtube.com/watch?v=OkO8DaPlyXo</p> 
<p>Gross Motor: Let's Get Moving!</p>	<p>Walk the Line: Last week your toddler walked over a line. This time make a line on the floor inside or on the ground outside and have your toddler walk on the line. Make the line in different design to challenge them.</p> 	<p>Tiptoe Time: Have tiptoe time with your toddler. Try walking on tiptoes as you move from one transition to another. For example, as you move from the living room to the kitchen, get on your tiptoes. Try tiptoeing with your shoes on and off.</p> 	<p>Bend and Look: Have you and your toddler stand in front of a mirror and take turns moving your body and following one another. You can bend over, lift your leg, stretch up and down, side to side, or dance around.</p> 	<p>Backwards Walk: Walk backwards with your toddler. Choose a place to go, such as the bedroom, the kitchen or outside. Go slowly at first, make sure there is nothing in your toddler's way. At first you will need to be very careful. Later, your toddler will be able to walk around a table or chair.</p> 	<p>Basketball Drop: Cut the lid off a large diaper box. Put it in the middle of the floor along with a few balls. Show your toddler how to drop or toss the ball into the box. When all the balls have been thrown, ask your toddler to help you find them. Then dump them out and play again.</p>
