Daily Activity	<p>Science: Bean Planting: Assist your toddler with this activity: Get a paper towel and wet it and put it in a container. Place the bean inside the wet paper towel and cover it. Place it in or near a window to get sunlight. Watch it grow.</p> 	<p>Health/Nutrition: Find Health Food: Look in a magazine or book and pick out the healthy food. Talk to your toddler about why the food is healthy.</p> 	<p>Art: Tracing Circles: Get paper, writing utensils (crayon, marker or pencil) and a cup (or anything small to trace). Have your toddler put the cup on the paper and with the writing utensil, encourage them to trace around it. They can make as many circles as they want.</p> 	<p>Fine Motor: Shoestring Necklace: Grab a couple of straws next time you order a drink from the restaurant. Cut the straws into inch or inch in a half long section. Have your toddler string the straws on the shoestring.</p> 	<p>Virtual Fieldtrip: 911 Operator: https://www.youtube.com/watch?v=i0YY8Otwz3c</p> 

Schedule	Monday	Tuesday	Wednesday	Thursday	Friday
Math/ Literacy Activity	<p>Shop 'til You Drop: Create a shopping list and take you toddler to the grocery store but go when neither of you are hungry. Don't forget your masks. Have your toddler sit in the basket facing you. As you choose an item, allow your toddler to hold it until you find the next item. The time between finding each item talk about it. Ex. Milk: it's cold, white, it comes from cows on a farm.</p> 	<p>Shapes Song for Kids: https://www.youtube.com/watch?v=OeBRDtCAFdU</p> 	<p>Puppet Magic: Use an old sock to make a puppet and have a conversation with you and your toddler. You can also make finger puppets if you have an old glove, just cut off the fingers of the glove halfway and decorate.</p> 	<p>Name Pictures in Books: https://www.youtube.com/watch?v=XAMtgyiUhIo</p> 	<p>Read to me: Grab a book! No devices. Snuggle with your toddler and read the book. As you read each page ask your toddler questions about the page to keep them interested and entertained. Allow them to help to turn the pages.</p> 
	Gross Motor: Let's Get Moving!	<p>The Rowing Game: Sit on the floor with your toddler across from one another (feet can touch) and hold hands. Start singing "Row Row Row Your Boat" and gently row back and forth while holding hands.</p> 	<p>Laundry Basket Ball: Grab a laundry basket and some balls, or soft toys or pillows. Set the basket up in front of you and your toddler. Take turns tossing the "balls" into the basket.</p> 	<p>Instrument Fun: Use items around the house to make instruments. Be creative! Turn on some kid-friendly music and dance or march around the house together. <i>(beans in a jar for a shaker, cooking for a drum, paper towel tube for a horn)</i></p>	<p>Bowling Fun: Start saving empty containers like milk cartons, juice containers, cups, etc. Set them up in bowling pin fashion and grab a ball (soft). Encourage your toddler to roll the ball to hit the containers.</p>

Individualized Target Activities					

Glue Recipe:

Mix one-part **flour** with one part of **water** (e.g., 1 cup flour and 1 cup water, or 1/2 cup flour and 1/2 cup water) until you get a thick **glue**-like consistency. Add a bit more water if it's too thick. Mix well with a spoon to get rid of all the lumps.
