

Teachers: _____

Week of: July 6th – 10th, 2020

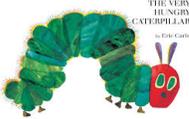

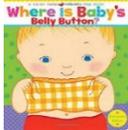

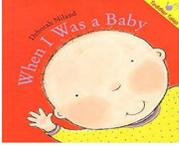

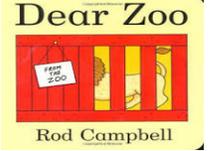

Lesson Plan for: _____

Schedule	Monday	Tuesday	Wednesday	Thursday	Friday
Music & Movement	<p>Bicycle https://youtu.be/0kpxKsQPNpM</p> 	<p>Row Row Row your Boat https://youtu.be/XmOqiy8kydk</p> 	<p>This is How I Do It https://youtu.be/22qdiIN YKh8</p> 	<p>The Bouncing Song https://youtu.be/o4KMcyTIG00</p> 	<p>Let's Go to the Zoo https://youtu.be/OwRmivbNgQk</p> 
Daily Activity	<p>Science: Nature Walk Go on a nature walk, pick up items such as leaves, acorns, bark and discuss textures with your child. (rough, smooth, scratchy)</p>	<p>Health/Nutrition: Try New Foods Children are developing taste buds and need to try new foods 10 times to develop a taste for it- (kiwi, avocado, dragon fruit, mango, passionfruit-suggestions)</p>	<p>Art: Paint with Water You can do inside with paper or go outside on a pretty day and paint the sidewalk or trees or even the porch. Just water and brush or rag!</p>	<p>Fine Motor: Pots & Pans Fun! Pots and Pans- put pots and pans on floor with a wooden spoon, allow your baby to bang on them to make noise.</p>	<p>Virtual Fieldtrip: Amazon Rainforest https://youtu.be/zRB4q19wc04</p>
Math/ Literacy Activity	<p>Shapes: While on nature walk, look for street signs, windows and other objects and describe their shapes.</p> 	<p>Counting: After watching Hungry Caterpillar for story time, go back and count the food he ate. Talk about more and less.....he ate more of some fruits than others.</p>	<p>Measuring: (Can do at bath time or just playing in water) use measuring cups and fill with water and pour, some are big and some are small and some medium size. (with older infants, let them help measure when you're cooking!)</p>	<p>Bubbles: Blow bubbles with your baby, you can count bubbles, talk of sizes, colors of the rainbow in the bubbles. Also describe the bubble as a sphere, which is the mathematical name for a circle.</p>	<p>Sizes: Use the video for book- Dear Zoo- use size words long and short & tall and small - for sizes of animals necks, noses (trunk) and legs. What are species are the animals (Mammals, reptiles)</p>

Teachers: _____

Week of: July 6th – 10th, 2020

Lesson Plan for: _____

Schedule	Monday	Tuesday	Wednesday	Thursday	Friday
Gross Motor: Let's Get Moving!	Baby Push Ups While on tummy, use a favorite toy or mirror to encourage your baby to look up and push with his arms and head 	Rock the Boat Place baby in a hand/knee position over your lower leg, so your lower leg supports body. Gently rock back and forth while singing Row, Row, Row your Boat.	Laundry Basket Stroll Fill a laundry basket with heavy items and allow your child to push it around the floor (smooth) to practice supported walking. 	Pull Ups Have your baby lie flat and then pull them up gently into a sitting position. Pulling your baby up into a sitting position is a good way to strengthen the muscles in her shoulders, core, arms, and back	Socks Off When your baby is able to bring their feet up where they can grab them, pull their socks off a bit from their toes and see if they can grab their feet and pull off the socks.
Storytime	Bear on a Bike https://youtu.be/DEeZLx9doQc 	Very Hungry Caterpillar https://youtu.be/75NQK-Sm1YY 	Where is Baby's Belly Button? https://www.youtube.com/watch?v=pAgtXAE6jl8 	When I Was a Baby https://youtu.be/YPk8wAfZLIU 	Dear Zoo https://youtu.be/rudDGRQ9QGA
