

## Training Guidelines

The Education and Training Department supports ECS's overall mission of being committed to providing the highest quality of learning events. This quality is a result of setting high goals and expectations and therefore, regulations need to be in place to keep these trainings professional and sculptured to fit the needs of our participants.

We ensure trainings provide opportunities that are responsive to the best educational practices to children, families, and communities we serve and adhere to the IACET criteria. Most of all, we hope you gain knowledge and enjoy these professional development opportunities!

### Here are some tips to ensure successful registration in trainings at ECS:

- Pre-registration is required: please register on GoSignMeUP prior to the training date.
- You will need to pre-pay for classes that have a cost: payment through PayPal is due at the time you register for the course.
- Cancellations: If you cannot attend a class, please cancel your reservation on GoSignMeUp. This involves finding your class on your dashboard and selecting Cancel Course from the drop-down menu. Refunds for fees are not processed, but you will be issued a voucher upon notifying the training department prior to the training. Vouchers can be used for future learning events.
- How many participants need to be registered to hold a class? A minimum of 3 participants are needed for a class to be held. If a class is cancelled, participants will be notified by email.
- Who can attend? Training Events are intended for registered participants only. Please do not bring children or unregistered guests. You need to arrive on time for your class and plan to stay until the class is over if you want In-service Hours and CEUs. Please note: If your name is not listed on the attendance form you may not get credit for attending.
