Due Process Provisions for Termination or Suspension of School Readiness or Voluntary Prekindergarten Benefits

The ELC/ECS will provide written advance notice of the intended action to suspend or terminate benefits to the recipient to be affected. This notice must clearly advise of the allegations, the basis of the allegations, the intended action, and the date the action is to be imposed. The coalition/ECS shall send the written advance notice at least fourteen (14) calendar days before the intended action. The written advance notice will be translated in the recipient's native language if the coalition's/ECS's other communications with the recipient have been translated. The written advance notice shall include the following:

1. The procedure for the recipient to follow to attempt to appeal the decision.
2. A statement, in bold print, that the failure to file a timely appeal waives the right to an appeal.
3. Notice of the potential for the demand of repayment of improper benefits if the conclusion of fraud is upheld, including any benefits received after the receipt of the written advance notice.
4. The procedure for the recipient to obtain a copy of his or her file.
5. The amount of overpayment to be recovered, if applicable.
6. The length of time for which the recipient's benefits are suspended or the date of the

termination of benefits, if applicable. The following general guide for penalties will be applied, however, considerations will also include the length of time proportionate to the alleged offense committed, consistent with suspensions or terminations issued to other recipients who allegedly committed comparable offenses, and may also consider prior offenses, as appropriate.

Penalties Guideline

- First determination of fraud, eligibility is suspended for the longer of six months or restitution or repayment of overpaid benefits.
 - Second determination, eligibility is terminated the longer of one year or restitution or repayment of overpaid benefits.
-
- Third and subsequent determinations, eligibility is terminated the longer of five years or restitution or repayment of overpaid benefits.

The recipient has a right to challenge the suspension or termination of benefits within fourteen (14) calendar days of the date of the notice of the proposed action. If the challenge is before benefits are terminated or suspended, then benefits remain in place for duration of initial challenge. However, if the decision is upheld, any services received during that timeframe will be included with the overpayment amount.

A suspension or termination shall not be applied against recipients with a valid at-risk referral.

Recipient Right to Challenge Decision

Pre appeal Resolution Procedure

If recipient believes that the conclusion of fraud was made in error, the recipient should first seek to resolve the matter by contacting the coalition/ECS and providing the necessary documentation to resolve the issue. The Program Support Coordinator will consider all statements, review all documents, and may request any additional evidence or information as is necessary and relevant to the review. Within fourteen (14) calendar days of receiving the parent's request for review, the recipient will be notified in writing of the determination and given a new date when services will end (intended action date) should the finding of fraud stand. Otherwise, the parent will be informed within this same timeframe that upon review there is no finding of fraud and therefore no penalty will be assessed. The C.E.O. of the coalition shall not be involved in the pre-appeal resolution of the issue.

If the recipient believes that the issue was not resolved during the pre-appeal resolution procedure, the appeal procedure is outlined in *Florida Rule 6M-9-400 Early Learning Coalition Anti-Fraud Plan, subsection (e) and (f) as follows:*

Appeal Resolution Procedure:

If the recipient believes that the issue was not resolved by the coalition/ECS, the recipient may file a formal written appeal for review by the C.E.O. of the Coalition, using the following procedure:

1. Submit a written appeal to the C.E.O. or other executive staff person as designated by the coalition board. The appeal must fully describe the nature of the error the recipient believes

- has been made and shall contain any documentation which supports the recipient's claim.
2. The appeal shall be postmarked or emailed before the date of the intended action noted above. The recipient who fails to file a timely appeal waives the right of appeal.
 3. If the recipient files a timely appeal, he or she will not be suspended or terminated from the program until the written decision of the C.E.O. or the original date of the intended action, whichever is later.
 4. The C.E.O. of the coalition or other executive staff person designated by the coalition board must respond to the recipient, in writing, within thirty (30) calendar days of receiving the appeal with a decision as to whether the suspension or termination will be upheld or modified.

The recipient who wishes to appeal the decision of the C.E.O. of the coalition or other executive staff person designated by the coalition board may request further review by an appeals committee in accordance with subsection (e) of this rule. The request for further review by an appeals committee must be submitted to the coalition in writing within ten (10) calendar days of the date of the C.E.O. or other executive staff person designated by the coalition board's written response to the recipient's formal written appeal.

The recipient shall be given the opportunity to defend his or her position in an orderly proceeding of the appeals committee. When the meeting of the appeals committee is scheduled, the recipient shall be notified of the date of the appeals committee, informed that it is a public meeting, and informed that any information presented may be used by other state agencies.

1. The appeals committee shall be selected by the Chairman of the Board of the coalition and a chair of the appeals committee shall be named.
2. The appeals committee shall be convened within forty-five (45) calendar days of receipt of the recipient's request for an appeal.
3. The recipient shall be provided up to thirty (30) minutes to present their position and any information they wish the appeals committee to consider.
4. The coalition staff, excluding the Executive Director or other executive staff person designated by the coalition board shall be available to provide any information requested by the committee.
5. The appeals committee will consider all statements, review all documents, and may request any additional evidence or information from the parties if an appeals committee member believes it is necessary and relevant to the decision making. The required final determination letter will be tolled for the length of time given to provide the additional information.
6. The appeals committee shall select or appoint a member of the coalition, or another executive staff person designated by the coalition board but excluding the C.E.O., to memorialize the events of the appeals committee proceeding and the final determination including the basis for the decision.
7. The appellant shall be notified in writing of the appeals committee's determination within ten (10) calendar days of the date of the meeting.
8. The determination of the appeals committee shall be final.

Benefit Recovery

- For a voluntary overpayment repayment, the ELC/ECS will follow the ELC overpayment repayment process, including review for approval of a payment plan with the recipient, if requested
- For criminal prosecution with restitution, the ELC/ECS will follow the ruling from the court regarding restitution plan

At the point when potential fraud has been communicated to the recipient, the Program Support Coordinator makes a mandatory referral for potential fraud or abuse investigation using Division of Early Learning *Fraud Referral System*. The referral includes the recipient information, amount of overpayment, discovery date and a brief summary of the allegations, and notification of any evidencing documents available that substantiate the allegations. At this time, the Program Support Coordinator also notifies the Division of Early Learning's Inspector General's office that a fraud referral has been submitted.

Note the coalition's fraud investigation and appeals procedures outlined in this plan will complement the DEL referral process to Department of Financial Services through the *Fraud Referral System*. If the recipient appeals the decision through the coalition appeals process, the Program Support Coordinator will update the referral information in the *Fraud Referral System* as appeal decisions are made throughout the appeal process.
