

Dear Providers:

In addition to the self registration trainings we shared yesterday, we also have subscriptions for the following courses. If you are interested in signing up yourself or your staff to the particular trainings listed below, you will email [Amanda.Griffis@ecs4kids.org](mailto:Amanda.Griffis@ecs4kids.org) with the following information:

- The name of your program.
- The name of the training(s) you/your staff is interested in.
- The number of people interested in each of the trainings.

Please note some courses have limited spots available, so we ask only one person per site sign up for those (notated by the title of the training).

**Important: These trainings will be filled on a FIRST COME, FIRST SERVE BASIS. They are all free, but not associated with a stipend.**

### **CLASS Foundations for Teachers Online Course (82 Subscriptions Available)**

Designed to help teachers become oriented to the power of meaningful interactions. Educators will learn how interactions are a core factor that supports children's development and learning, what the CLASS framework is, and how to focus on meaningful interactions. Pre-K educators must take all four courses to meet the requirements.

### **CLASS Primer for Teachers Online Course (16 Subscriptions Available- one person per site please)**

CLASS Primer for Teachers provides the foundational knowledge to energize staff around your CLASS implementation and journey. It offers digestible content designed to increase understanding of effective interactions, reflect on current teaching practices, and learn about the CLASS tool, and your program's CLASS implementation.

### **I/T Primer for Teachers Online Course (16 Subscriptions Available- one person per site please)**

A CLASS® Primer for Teachers is an online course that introduces teachers to understanding why interactions matter, the purpose of the CLASS® Tool and CLASS® observations and introduces teachers to the frameworks for the selected age level.

### **CLASS Primer for Leaders Online Course (64 Subscriptions Available)**

A CLASS® Primer for Leaders is our answer to customers asking, “Where do I begin my CLASS implementation?” or “How can I support the site-based and network leaders who are responsible for championing our CLASS implementation?” As the center of expertise on CLASS and CLASS implementation, Teachstone is uniquely positioned to offer a solution to the challenges leaders experience when faced with the task of a CLASS implementation.

### **Banking Time Online Course (290 Subscriptions Available)**

Factors such as absenteeism, racial or cultural differences, and other biases can make it difficult for teachers to form meaningful relationships with every child in their class. With Banking Time: Investing in Relationships, educators learn evidence-based strategies proven to form stronger relationships that can positively impact children’s development and learning.
