

## Apply Now While Funds Are Still Available!

Dear Child Care Providers,

We are thrilled with the tremendous participation in the ARPA curriculum grant. The ELC of North Florida has used almost it's total allocation for this program. We do still have some funding available, so I wanted to remind you, if you have not already but intend to apply for this grant, please do so right away. Keep in mind, that until you are notified that your application's status has been changed to "Approved for Payment Processing" we cannot guarantee funds will be available. All applications for curriculum funding received to date have been approved and will be funded.

If you do have an approved application, you must purchase the curriculum by December 15<sup>th</sup>. You may be asked to supply a dated receipt at another time, so please keep the receipts. As long as we still have funding, the application will stay open until November 20<sup>th</sup>, 2023. If we use up our funding, it will close earlier.

Thank you again. I am so happy so many have taken this opportunity to purchase the curriculum, training and supports you need. If you have any questions, please feel free to contact me or email [arpagrants@ecs4kids.org](mailto:arpagrants@ecs4kids.org).

Thank you,  
Teresa Matheny  
Chief of Programs
