

NEW GRANT OPPORTUNITY!

Dear Child Care Providers,

ECS in partnership with the ELC of North Florida is happy to announce Supplies and Classroom Materials grants for providers to purchase the classroom and outdoor supplies your program needs. To qualify for the grant, providers must be physically located in Baker, Bradford, Clay, Nassau, Putnam, or St. Johns Counties. Each program that is contracted for School Readiness will receive \$2,500 per classroom and each VPK only provider will receive \$2,500 per VPK classroom. Providers with both programs will receive one \$2,500 grant per classroom.

The application to receive the Supplies and Classroom Materials grant can be found here: https://forms.office.com/r/w2FLi7HuMA or go to https://www.ecs4kids.org/grants/ and look for the button that says, "Supplies and Classroom Materials – ADGSM". It is a simple application and should take just a few minutes to complete. We are attaching a list of approved supplies. You will not receive the funds until we have received the funds from the Division of Early Learning. Depending on when you apply and our invoicing cycle this could mean you receive the funds in 30 to 60 days after you apply.

There is a list of approved supplies that can be found HERE.

Please note the websites for Kaplan and Lakeshore. They have both set up websites where you can purchase items especially for this grant. No capital items, such as permanent playground structures can be purchased. You will be expected to pay for your orders as they are purchased. Due to this you may choose to wait until we have advanced you the funds to place your orders. You may use the total amount of the grant in your program for supplies as you see fit. For example, one classroom could receive \$2,000 in supplies while another received \$3,000.

Click **HERE** for steps to access the ECS/ELC of North Florida Kaplan Portal. Click **HERE** for steps to Easy Online Ordering for Lakeshore!

Kaplan orders once placed must be approved by ECS. Approval should be rapid since we will only be ensuring your order meets the criteria of a supply rather than a capital item. Lakeshore orders and the other items on the list are supplies, so approval is not necessary.

Please keep in mind that if you exceed your budget of \$2,500 per classroom, you will be responsible for any overages. We will need the signed invoices and receiving by no later than May 1, 2023. Please email those to arpagrants@ecs4kids.org using the subject line, "Supplies Receipts". If you do not spend your entire grant amount or are unable to provide ECS with receipts and signed receiving, you will need to repay that portion of the grant.

Should you have questions or need assistance please email arpagrants@ecs4kids.org or you can reach out to me directly at the contact information below.

Thank you,
Teresa Matheny
