## New Email Communication Platform

Dear Providers,

Episcopal Children's Services (ECS) is excited to announce we'll be using a new software platform, WebAuthor, alongside our existing email provider, Constant Contact, to send important email communications.

### What to Expect:

- You will receive emails from the address **NoReply@webauthor.com**
- Please add this address to your safe senders list to ensure our messages reach your inbox.
- Look out for our first email from WebAuthor later today, which will provide details on the Education Summer Training Series.

If you have any questions about this change, please don't hesitate to reach out.

Sincerely,  
Episcopal Children's Services Team
