

The Education Summer Training Series Is Now Available In WebAuthor Learning Management System (LMS)

Dear Providers,

If you missed out on attending our in-person Summer Training Series, you can now access these trainings online through our WebAuthor Learning Management System! These trainings will only be available until the end of this calendar year, so be sure to register and view them as soon as possible. Please see the attached instructions on how to sign up for a WebAuthor account (if you do not already have one), register for, and view each training recording. Upon completion, participants will receive an **in-service** certificate through WebAuthor. Please note, no CEUs are available for these particular sessions, in-service time only will be awarded. **Directors, please share this information with your teachers.**

Training Recordings currently available:

Director's Training: *Leaders vs. Managers*

In this training, we will discuss the differences between leadership and management, and how to make leaders out of teachers. We will talk about how to effectively use the directors' CLASS observation checklist, and how to better know your staff through Compass Points protocol. Participants will also leave with ideas for teacher appreciation.

Trainers: Brianna DeOsca, Kelley Warner, Susan Murphy, & Katrina Willis

Inclusion Training: *Campfire Chats: Behavior Management Camp*

This session will educate providers and educators on the detrimental effects of preschool expulsions and terminations. Participants will learn to implement effective, evidence-based inclusive classroom practices aimed at addressing and reducing challenging behaviors.

Trainers: Rebecca Huth & Jhordan Speed-Johnson

Infant Training: *Engaging Infants Through Play and Language*

Participants will learn to integrate sensory play into daily routines and enhance facilitation of learning and language modeling using Teachstone's CLASS dimensions for infants.

Trainers: Santanna Walker, Alexis Williams

PreK Training: *Creating a Dream Classroom: Using Best Practice to Plan for the Future Year*

During this training, teachers will explore universal supports, accommodations, and adaptations to meet their specific classroom needs. Looking at the subjects of regard for students, classroom transitions, and language use, teachers will reflect on best practices and create a plan to support them in the upcoming school year. This workshop aims to help teachers increase positive feelings about their teaching strategies and classroom management skills.

Trainers: Jazmine Jackson, Krystal Berry and Tatum Goad

Toddler Training: *Toddlers Throughout the day*

This course will focus on the toddler's day, with an emphasis on emergent language and literacy and math during circle time, small group, free play and outdoor time.

Trainers: Joan Whitson & Sherry Tindall
