

1. Incorporation by Reference and Acceptance. Episcopal Children's Services ("ECS") and the undersigned ("Vendor") hereby incorporate this Addendum - General Terms & Conditions ("Addendum") into the agreement between ECS and Vendor (the "Agreement"). If this Addendum conflicts with the Agreement terms, this Addendum shall control. Contractor's submission of bid or acceptance of contract shall constitute Contractor's agreement to the terms and conditions set forth within the entirety of this contract and its addendum of general terms and conditions.

2. Purchase Order and Stipulations. ECS requires that a contractor have a purchase order, or a purchase order number issued by a representative of the ECS team that will specify the manner, location, etc. specified per the contract before shipping any merchandise. The purchase order number must be shown on all invoices. The purchase order shall contain shipping instructions, including shipping destination, required acceptance date, and acceptable delivery times.

3. Contract Deliverables. ECS requires that a contractor divides the contract into quantifiable, measurable, and verifiable units of deliverables. Each deliverable must be related to the scope of work and specify a performance measure. Deliverables must be received and accepted by the contract manager before payment.

4. Payment Terms. Invoices on properly accepted goods or services submitted with sufficient details will generally be paid within 30 days of receipt of the invoice or after receipt of the goods/services, whichever happens last. Vendor must submit a W-9 prior to receipt of first payment to accurately verify the Vendor's information regarding their entity type, federal tax classification, and Taxpayer ID Number (TIN). "Properly accepted" means receipt, inspection, and approval of the goods or services. In the case of a bona fide dispute, payment will be authorized only for the amount not disputed. Payment for goods delivered does not constitute acceptance those goods. ECS reserves the right to inspect and test such goods and to reject, and return to Contractor, at Contractor's expense, goods (a) delivered more than the quantity defined on the contract, (b) which do not conform to specifications, (c) which in any way violate any federal, state, or local law, or (d) which are in any way defective. Defective or rejected goods shall not be replaced except upon the receipt by the contractor of written instructions from ECS. If ECS receives goods with a defect or nonconformity which are not apparent upon examination, ECS reserves the right to require replacement, as well as payment of damages upon discovery of the defect or non-conformity. Nothing contained in the contract shall relieve in any way the Contractor from the obligation of testing, inspection, and quality control. The Contractor shall submit the final invoice for payment to ECS no more than 45 days after the contract ends or is terminated. If the Contractor fails to do so, unless waived in writing by ECS, all rights to payment are forfeited and ECS will not honor any requests submitted after the above 45-day period. Any payment due under the terms of this contract may be withheld until all reports due from the Contractor and any necessary adjustment(s) thereto have been approved by ECS. ECS shall not be obligated to pay for costs incurred related to the contract prior to its effective date or after the ending date specified. The Contractor shall return to ECS any overpayments disbursed to the Contractor or by ECS due to unearned funds or funds disallowed pursuant to the terms of the contract. In the event the Contractor, ECS or an independent auditor discover an overpayment was received, the Contractor shall repay said overpayment within forty calendar days or be subject to interest charges on the unpaid balance. Invoices should be submitted directly to Episcopal Children's Services, 8649 Baypine Road, Ste. 300, Bldg. 7, Jacksonville, FL 32256 or emailed to ap@ecs4kids.org.
