Support of Learning Events

- developing high-quality trainings
- empowering facilitators in implementing best practices
- administering training within the Canvas online learning platform
- ensuring alignment with International Association for Continuing Education and Training (IACET) accreditation

The Impact

The Professional Development Department (PDD) at ECS4Kids is dedicated to high quality professional learning and teaching. Everything we do is for the betterment of children, teachers and families. The goal is for all ECS4Kids Learning Events to be of the highest quality for the providers and families we serve to ultimately improve the quality of care for the children. We ensure our learning events include the most current educational practices to implement with children, families, and communities, as well as adhering to the IACET standards.

With high quality goals and expectations, regulations need to be in place to ensure we are meeting the needs of our participants. Here are some tips to ensure successful training registration at ECS4Kids:

- Pre-registration is required: please register on GoSignMeUp prior to the training date.
- You will need to pre-pay for classes that have a cost.
- Cancellations: If you cannot attend a class, please cancel your reservation on GoSignMeUp
- A minimum of 3 participants must be registered to hold a class. If a class is cancelled, participants will be notified by email.
- ECS4Kids Learning Events are intended for registered participants only. Please do not bring children or unregistered guests.
- You need to arrive on time for your class and plan to stay until the class is over if you want a certificate.

We look forward to seeing you at our next learning event!
