Books, Balls, & Blocks is a free, online community screening event for families with children, birth to five! Parents and caregivers are invited to complete an ASQ-3 and/or an ASQ SE:2 screener for their child(ren). The areas assessed include: **communication**, **behavior**, **social-emotional**, **cognitive**, **gross and fine motor skills**. A Help Me Grow Coordinator will review the results and provide resources, if needed.

The Ages & Stages Questionnaire (ASQ) takes about ten (10) minutes to complete, and it's confidential. The parents' names will be entered into a drawing for prizes! The winners will be announced on Monday, September 29, 2025.
