

School Readiness Wait List Update – Please Share with Families

Dear Providers,

We hope this message finds you well. We are reaching out to inform you that our current waiting list for School Readiness services for families at or below 55% of the Florida Median Income has been exhausted.

If you are aware of any families in your care who may need financial assistance for child care, please encourage them to apply for School Readiness services. Applications can be submitted through the following portal:

 <https://flssportal.fldoe.org/>

Should families need additional support or have questions during the application process, they are welcome to contact our Family Services Department for assistance. To find the office closest to them, they can go to <https://www.ecs4kids.org/contact/>.

Thank you for your continued partnership and for helping ensure families in need are aware of this opportunity.

Warm regards,
ECS4Kids
