

Help Us Connect With VPK Families From 2005

Dear VPK Provider,

Florida's VPK program is celebrating 20 years! We're looking for families whose children attended VPK in 2005 to share their stories.

If you still have contact with any families from that time, please forward this message or share the link below so they can participate:

Thank you for helping us honor the impact of VPK and the role providers like you have played in its success!

Best regards,
ECS4Kids
