

Were You or Your Child a VPK Student in 2005? We'd Love to Hear From You!

Dear Parent,

Florida's Voluntary Prekindergarten (VPK) program has been helping children prepare for school for 20 years! If your child participated in VPK back in 2005, we'd love to hear about your experience and how VPK impacted your family.

Your story can help us celebrate this milestone and show the lasting benefits of early learning.

Please share your VPK memories by completing the form in this link
<https://lxm.cc/tsvw30> and where you can also upload a picture of yourself in Pre-K and one of you now.

Thank you for being part of the VPK journey!

Warm regards,
ECS4Kids
